Dear Mr Morris.

This is to follow up on my letter of August 10, 2007, notifying you that the Federal Election Commission had ascertained information in the normal course of carrying out its supervisory responsibilities indicating that you may have violated the Federal Election Campaign Act of 1971, as amended, in connection with your reported contributions to Republicans for Trauner during October 2006. You filed a response by electronic mail on August 28, 2007

After considering your response, the Commission decided to close the matter without taking any action as to your contributions
